Youth Admits To Assault Gets Reformatory Term

LINDSAY (ENS) — A 17-year-old Kinnmount youth was sent to reformatory for six months definite and three months indefinite last Thursday after he pleaded guilty to assaulting John Wall, 17, of Toronto.

The Toronto youth told Magistrate's Court of how he had been beaten until his nose and cheekbone were fractured.

"My father is a geologist, and we were staying in Kinnmount in a hotel. Four days after our arrival, I went out of the hotel and the accused started throwing snowballs at me," Wall testified.

He identified the accused as Lawrence Anderson, 17, of Kinnmount.

"I got into my car thinking it would stop, but it didn't. I thought he might break a window, so I got out and walked down the street. Then the accused grabbed me from behind, swung me around and punched me in the face."

"My coat was undone, and Anderson pulled the coat over my head and punched me twice. I went down on my knees. My nose was bleeding, and when they saw I wasn't fighting back, Anderson's friends said 'He's a good guy. Let's go.'"

Wall said he then went into a drug store to stop the bleeding. "The proprietor of the drug

store told me to get out because he didn't want blood all over the floor. He gave me some tissue."

The Toronto student said doctors had found he had a broken nose and fractured cheekbone, and he still suffered a numbness in the left side of his face.

His father, William Wall, said when he saw John in the hotel, "his face and shirt were completely covered with blood." He confirmed that the nose and the cheekbone had been broken with possible damage to the facial nerves.

Defence counsel Richard Corwill suggested treatment for Anderson at Mimico. "We must get him away from Kinnmount."

Crown Attorney Lorne Jordan said, "this action was entirely unprovoked. We are concerned." He then read a list of 10 previous convictions.

"SADISTIC STREAK"

In passing sentence, Magistrate Ian Munro said, "you seem to have a sadistic streak in your nature. You feel you have to act like a bigshot."

"Here is a boy who tried to avoid you, an innocent boy not looking for trouble. This is a vicious anti-social attitude you have, and you are not going to be able to take it out on the innocent for a long time."

Plan For Community College

On Wednesday, December 8th, representatives from Brock, Haliburton and Victoria High School areas and other municipal officials met at the Bonfire Restaurant in Lindsay to lay plans for setting up a committee to prepare and present a brief to the Department of Education for Ontario with the purpose of procuring a Community College for the Lindsay area.

Mayor Holtom of Lindsay sent out the invitations to interested groups to send representatives to this meeting. The Town of Lindsay provided the luncheon.

Mr. R. Glen Hodgson, M.P.P. for Victoria and Haliburton, who has been working to get a college for Lindsay since Bill 53 was passed in the Legislature, had the Department of Education send Mr. D. Shaver, Assistant to the Director of Technology and Trades Branch to the meeting. Mr. Hodgson impressed on the group the importance of establishing an area here early in order to avoid the possibility of this region being broken up and added to other areas who seek a College. If our area is not attached to any other and Lindsay is not chosen as a site for one of the early establishments, there will still be opportunities later. He introduced Mr. Shaver to the group.

Mr. D. Shaver stated that a Community College could consist of several faculties, such as: arts, technology, vocational, agricultural, and so on. He then outlined the necessary material that must be presented in a brief.

Messrs. R. J. Curry, Gerald M. Dawson, Cecil Irwin, J. Bernard Trepanier and J. Douglas Hodgson represented the Haliburton County District High School Board at this meeting.

A working committee has been

established from the three areas to prepare a brief for the Government. A Board of Regents, which is to be appointed in the near future by Wm. Davis, Minister of Education, will decide what areas will get a college. The following men from Haliburton County have been appointed to the working committee: The War-

(Continued on Back Page)

Entertain At Guild Inn

Mr. and Mrs. A. D. Macnab of Red Umbrella Inn, Minden, entertained at a dinner party in The Guild Inn, Scarborough, for Mr. Macnab's aunt, Mrs. Joshua A. Leaper of Southampton, England, on the occasion of her 91st birthday.

Among those attending were: Misses Elizabeth and Mary Flora Macnab and Master Douglas Macnab, Mr. and Mrs. Reg Tipping and John L. Tipping of Midland, Mr. Edgar Leaper of Toronto, Mr. and Mrs. Charles Murray of Toronto, Mr. Frank Macnab of Toronto, Miss Lynn Legier of Toronto, Mr. and Mrs. Cal Nidderly of Toronto, and Mr. and Mrs. Guy Roach of Toronto.

Advertisers Please Note

The Annual Christmas Edition of the Haliburton County Echo will be published on Thursday, December 23rd. If you have not already been contacted and wish a Christmas greeting ad please phone the Haliburton County Echo, 350W, or contact Chas. Brandon in Minden.

COUNCILLORS
Louis Ruthven
Otwell Todd
Elwood Peel
Eddie Lewis
PUBLIC SCHOOL TRUSTEES
Marshall Sueie
John Covert
Alphonse Hogan

Mr. Art Tompsett retired after being Reeve of Cardiff Township for eight years.

BEN WEESE

We regret to inform our readers of the passing of a former citizen of Haliburton in the person of Ben Weese, whose death occurred in Bracebridge Memorial Hospital on Thursday, December 2nd.

Though the deceased had been far from being in the best of health for some time, nevertheless news of his passing was received with surprise and regret by his many acquaintances all over this area.

Ben Weese, during his stay in Haliburton, made a fine contribution to our community. As a member of the Red Shield Campaign Committee he was very active and it can be truthfully stated that his enthusiasm in this cause often meant the difference in failure and success. The deceased also was greatly interested in the work of Rotary and during his term of office as President, this fine organization secured many fine members and built up most creditable attendance records.

While busy with many other causes the deceased and his wife Gladys always found time for those things which pertained to the church and when they left Haliburton it could be truly said that their presence was missed by those of St. George's Anglican Church.

The late Ben Weese with his ready wit and cheerful disposition made many fine friends during his all too brief stay among us and at this time our hearts go out to his devoted wife and family in their hour of sorrow.

Skids Off Road

David McGann of Burnt River was the driver of a car which skidded off the Burnt River Rd. early Sunday and hit a hydro pole causing extensive damage to his car.

About 12:20 a.m. Sunday, a car driven by Fred Simmons of Iron-bridge was involved in a minor accident on a Somerville Township road.

Annual Snowmobile Rally Set For Feb. 19-20 At Haliburton

Preparations are being made for the 2nd Annual Haliburton Highlands Snowmobile Rally which is scheduled for Haliburton on Friday and Saturday, February 19th and 20th, 1966.

The Rally which is sponsored by the Haliburton Branch of the Royal Canadian Legion is expected to be bigger in every way over last year's event. The Snowmobile Rally Committee have been busy this past month making plans and up to this time they have given us the following information.

On the first day, Saturday, February 19th, elimination races for the cross country race on Sunday will be held.

On Saturday afternoon a parade of Snowmobiles with Rally Queen contestants will be held. Something new this year will be the Rally Ball which will take

place in the Legion Hall on Saturday night followed by the crowning of the Haliburton Highlands Snowmobile Queen.

On Sunday the races will begin at 12:30 sharp. The following is a list of the races in the order in which they will take place:

1. Junior Race - Legion Plaque,
2. Powder Puff Race - Dr. H. E. Good Plaque,
3. 5-Mile Open Race - L. M. Moore Plaque,
4. 5-Mile Race (Stock) - Curry Motors Plaque,
5. Obstacle Race - Beaconbrook Cup,
6. Tandem Race (2 Riders) - Grigg Co. Plaque,
7. Cross Country Race - Tip Top Tailor Trophy.

Make your plans now to be in Haliburton on Saturday and Sunday, February 19th and 20th, 1966 for this Snowmobile Rally. We will be giving you more information on the Rally from time to time.

New Tourist Officer Joins Dept. Of Tourism In Huntsville

The Department of Tourism & Information have announced the appointment of Mr. Peter Valachos as Tourist Industry Officer in the Huntsville District Office.

Mr. Valachos replaces Mr. Wayne Ferguson who was transferred to Orillia in October and will assist Mr. Donald Goodwin, District Representative for Muskoka and Haliburton tourist areas. He brings with him a number of years of experience in food management having joined the Department in 1963 following twelve years of operating his own restaurant and catering business in Simcoe, Ontario.

Mr. Valachos has worked in the Kitchener and Fort William offices of the Department for the past three years. He calls Brantford his home town, served in the R.C.A.F. overseas during World War II and was taken prisoner-of-war in Crete.

Following the war he spent some time in the Barbados as assistant manager in one of the resort hotels on this island.

He was a Director of the Hamilton district branch of the Canadian Restaurant Association, a director of the Brantford Board of Trade and a member of the Brantford and Simcoe Rotary Club.

Aurora Meet Huskies Saturday Night

This Saturday night the league leading Aurora Tigers will be at the Haliburton Arena to take on the Haliburton Junior Huskies in a regular scheduled Central Ontario Junior Hockey League contest.

Aurora from all reports are the class of the league and their smooth passing and hockey ability have earned them high scores over other teams.

This Saturday night you will have the opportunity of seeing this great team in action. Game time is 8 p.m.

County Echoes

At time of writing we have very little snow and have been experiencing very mild weather for this time of year. For nearly a week now our temperature have been hovering between the twenty and forty degree mark. We are informed that very few if any of our lakes are frozen over entirely.

Another year is drawing to a close and two fine projects have been undertaken within the County of Haliburton, one not quite completed, and the other in full swing.

We refer to Hyland Crest Senior Citizens' Home in Minden which we hope will be ready some time early in the New Year, and the fine new Community Artificial Ice Arena in Haliburton. Already the new arena in Haliburton has proved that those who worked so hard to make it a reality knew what they were doing and our young people all over the county are getting

much enjoyment out of the splendid facilities which the arena and community centre provide. We are sure that when Hyland Crest Home is opened in the not too distant future those of our older citizens who have to come to the time of life that they can no longer fend for themselves, will find in this new home a wonderful place to enjoy the remaining years of their lives.

We regret to learn that John Fleming is at present in Ross Memorial Hospital, Lindsay due to a heart attack. We hope and pray that he will make satisfactory recovery and we shall soon see him about again.

Miss Brenda Bain of Lindsay, formerly of Haliburton, who was employed with Sun Life Insurance in Los Angeles, flew home on November 25th. She received her engagement ring upon her arrival at Malton Air Port.

Glen Dart Hockey Tournament This Friday

The big night is just about here. This Friday night, December 17th, all roads will lead to the new Arena at Haliburton for the 12th Annual Glen Dart Memorial Trophies Night.

The big evening will feature

last year's 1964-65 final games of the Haliburton County Minor Hockey Association.

Minor Hockey teams will be competing from Wilberforce, West Guilford, Minden and Hal-

iburton. Four games will be played for four trophies in the Squirt, Pee Wee, Bantam and Midget divisions.

This annual event draws hockey fans by the hundreds and

this year should be no exception as a capacity crowd is expected. This is your opportunity to see the future hockey stars in action. Give these young players your support by attending this big night.

The date again is this Friday night, December 17th, with the first game starting at 7 p.m. The place is the Haliburton Arena. Admission is Adults 75c and Children under 14 years 25c. See you there.

GOODERHAM

NEWS NOTES

Sympathy is extended to the Duncan family in the passing of Duncan Jr. at Haliburton Hospital.

The stores are taking on a Christmas look which is always a joy to see at this time of year.

Mr. and Mrs. Charles Hadley, Peter and Kenneth of Rexdale visited relatives this week.

The Friendship Circle held their Christmas meeting at the home of Mrs. J. E. Pickens on Thursday, December 11th. This is always a friendly get-together. The secret friends exchanged gifts and the hostess with assisting committee served refreshments.

The United Church Women

held their monthly meeting at the home of Mrs. Joshua Pickens. Mrs. McAllister prepared the topic on Christmas 1965. The Christmas Story which was read never grows old. Mr. McAllister offered prayer. As is the usual custom among members, gifts were exchanged. Mrs. Pickens served luncheon.

White Gift Sunday was observed in the United Church on Sunday morning. Hymns were sung with Mrs. Ross Agnew presiding at the piano. Mrs. Dallyn Pickens read the Scripture, and Mrs. Allan Hadley read a story pertaining to the gift-giving. Mr. McAllister gave an inspiring message.

SUGAR AND SPICE

by Bill Smiley

THE CHRISTMAS GAME

People become a bit frantic as Christmas approaches, and I don't blame them. Every year, despite fervent pledges to keep it simple, the holiday season seems to begin earlier, grow more garnish, and finally turn into a three-ring circus before the last stocking is hung.

While we all deplore the expense and exhaustion involved, we are all ardent players of that great North American game known as "Needle Your Neighbour."

That's why the simple little candle in the window has evolved into that hideous phantasmagoria of coloured lights all over the front of the house. That's why the few sprigs of evergreen over the mantel have evolved into a living-room resembling a spruce swamp.

Regardless of such things as a happy family gathering, the pleasure of the old carols, the joy of giving, Christmas is not really a success unless we can come up with something that will put the neighbours' noses out of joint.

And this is where I come in. I can't bear to see people unhappy. Except my neighbours. After a lot of thought, I've come up with a few pre-Christmas suggestions that will turn your neighbour green with envy, red with rage, in the proper colours for the season.

How about a Yule log this year? Get that old mattress out of the attic. Or off the bed in the guest room. Saturate it in gasoline. Roll it up, tie it with ropes and hide it in the garage.

On Christmas Eve, when your neighbour is gloating through the curtains at the vulgar nativity scene in four colours on his front lawn, take out your Yule log and burn it on your lawn. When he rushes out — and he will — tell him it's the genuine article, ordered from England. Then watch him burn. By the way, don't over-do it. Don't try burning your Yule log in your two-foot-wide fireplace.

A variation of this theme is an eternal flame. If you don't have gas, have a line run in to

your front lawn. Tell your neighbour the guys who are tearing up your lawn are looking for a leak in your sewer. This will please him.

Then, some night, half an hour after he turns on his electrical monstrosity, flip your gas switch, and slip out and light your eternal flame. The fiendish ingenuity of your plan, the simple dignity of your little light burning away, in wind and snow, will drive him wild. It'll be worth the few hundred bucks it costs.

This year, forget all about that junk for your living-room: Christmas candles, spruce boughs, sprigs of holly, coloured lights in the chandelier. Oh, let your wife go through the motions. Women enjoy such futilities.

But a couple of nights before Christmas, when your wife is on a last mad shopping scramble, throw all that garbage out. Then take two gallons of paint, one red and one green, and paint everything in your living-room one or the other. Your neighbour will be livid with envy when you ask him over for refreshments. Your wife may be any colour.

A variation on this is to let your kids help you paint, and not ask your neighbour over. Christmas morning, you send the kids over at seven a.m., in appropriate colours, and they ask him over.

Speaking of refreshments, how about a wassail bowl this year? It's quite simple to make, and bound to impress. Take any large bowl or small washtub. Half fill with nut-brown ale. It's an old Elizabethan recipe, and don't forget to tell your neighbour this.

Stir in several wassails. These are small, ancient Englishmen, pickled in alcohol. Something like the shepherds in shepherd's pie, but no gristle. Flavour to taste with nut-meg, nut-brown maidens, mistletoe and garlic salt. Fill bowl with gin. Ply neighbour generously. But don't touch the stuff yourself.

If you haven't got him by now, there's no hope for you, and you might as well relax and enjoy Christmas with all the old familiar horrors of last year.

—Ontario Hydro Photography Section

Seventeen commercial students from Haliburton High School toured Ontario Hydro's head office in Toronto recently. The group visited the Electronic Data Processing Centre where punch tape information transmitted from Hydro's province-wide area offices is converted into customer's bills and employees' pay cheques. The centre's two computers also handle engineering computations ranging from relatively simple mathematical problems to complex power system studies and do inventory and accounting operations. Students watch operator Dean Reynolds at the console of one of the Univac II computers. They are left to right, front row: Bernice Morrison, West Guilford; Joyce Priest, West Guilford; Eleanor Kernohan, Minden; Suzanne Klapow, Wilberforce; Barbara Hansen, Haliburton; Faye Hancock, Irondale; Back row: Barry Robertson, Haliburton; Dale Emerson, Lochlin; Ken Kernohan, Minden.

High School News

(Intended for Last Week)
Kenneth C. Hone, Reporter

This week at the Haliburton Highlands Secondary School saw the end of the Canadian Curtis Magazine sale. Although the total sales were somewhat lower than last year's campaign, they were still very gratifying and it was well worth the effort that the students put in to it.

The senior students had the honour of putting on the assembly this week, and entertaining their fellow students. Although we may not realize it, it really is an honour to entertain other students and the assembly is an important part of school life, although goodness knows school life is exciting anyway. To face each new day in the process of getting an education is a challenge, and we should be thankful that we have a chance to face this challenge.

Certain classes are beginning to get ready to enter the annual Public Speaking Contest which is a project of the Ontario Educational Association, and supported by the Ontario Hydro. The zone finals will be completed by March 26, 1966, and the Ontario finals will be completed on April 11th, 1966. To all those students who will be eagerly writing out speeches go my best wishes.

Another week at school has almost ended now, and we are looking forward to the next already. To all students my advice is "Persevere".

No nagging backache!

He used to be bothered by backaches and tired feeling. When he learned that irritation of the bladder and urinary tract can result in backache and tired feeling, he took Dodd's Kidney Pills. Smart man. Dodd's Pills stimulate the kidneys to help relieve the condition causing the backache and tired feeling. Soon he felt better — rested better. If you are bothered by backache, Dodd's Kidney Pills may help you, too. You can depend on Dodd's.

Haliburton Highlands Secondary School Staff Fete 1965 Honour Students

Each year the teaching staff of Haliburton Highlands Secondary School hold a banquet in the school cafeteria for the students who attain a 75% average or better in the previous year's final examinations.

The Scholarship Committee of the school arrange the banquet. The members of this committee are: Chairman, Robertson M. Herlihey; Secretary, Mrs. C. M. Andison; Treasurer, Mr. P. M. Valentine; and members Mrs. Anna English, Mr. W. E. H. Munro, and Mr. J. Douglas Hodgson.

Mr. James Meade, assisted by Mr. John Grebenc, presented each student with a pin upon which is the school crest and or an attached bar with the grade on it. Students may win five bars representing each grade of high school if they are Honour Students every year. Mr. Meade said, "Our Honour Students have distinguished themselves in solving problems. We congratulate them and look forward in anticipation to their future contribution to their community, their nation, and the world."

The Principal, Mr. J. Douglas Hodgson, thanked the teaching staff for their annual contribution of \$16.00 each to the scholarship fund. He stated that we at Haliburton Highlands Secondary School, both students and teach-

ers, were extremely fortunate to have such fine equipment and building to use and he paid tribute to those earlier generations who developed this county. He read a sentence from Pericles' Funeral Oration made in Ancient Athens and said our forefathers were like the heroes Pericles praised. The sentence went thus:

"And when Athens shall appear great to you, consider then that her glories were purchased by valiant men, and by men that had learned their duty; by men that were sensible of dishonour when they came to act; and by men such as, although they failed in their attempt, were not wanting to the city with their virtue, but made an honourable contribution."

Mr. Walter G. Pitman, M.A., Assistant Registrar of Trent University, was the guest speaker. He stated, "Think back to the first day you went to school — when you were pushed out the door to a strange school, strange classroom and a strange teacher. Probably your mother would have a tear in her eye. For most of you that was only 14 or 15 years ago. At that time you had never thought of a flight into space. Tomorrow there will be another flight which could be described as 'hitting the eye of a fly at five miles'. Having a man in space for a whole revolution of

the earth was unthought of that day. Only science fiction writers talked about going to the moon then. Wherever we look there is this fantastic change. We did not know the term 'automation' — production of goods by automated machines. You will verge into a very complex and fast-changing world. There is one thing that you cannot dispense with and that is the trained, gifted man. We will always need dedicated people who can give judgement on what we want to get out of the machines. Machines could be used for immoral purposes. If we could produce no real contribution to the society in which we live we cannot say that we have reached a higher level of society."

"This is not only a complex and exciting world but also a dangerous one. It is far too dangerous to have illiterate people as leaders. If a man is made somehow sensitive to the needs of his fellow man; if a man learns the backgrounds of other people and can sympathize and respect their actions and come to love them; if a man is taught the beliefs of other men that he can find dignity in them; if a man comes to know himself so that he will be able to understand his own weaknesses and his own intolerance; if a man has the opportunity to understand human drama, he cannot help but be impressed by

the common needs of all men, no matter what colour or race."

"All of you young people who have reached the honour roll in this school I challenge you tonight with the quotation of the late Dag Hammarskjöld: 'Goodness is so simple: always to live for others, never to seek one's advantage.'"

Mr. Pitman was introduced by Mr. William Valentine of the teaching staff and thanked by Miss Jane McKay, an Honour Student.

Mr. J. Bernard Trepanier, Chairman of the Haliburton County District High School Board, said: "The potentialities of three things in this world may be said to be beyond human calculation: (1) a mountain, (2) an ocean, and (3) the most important is an earnest man at his work. There is nothing more lastingly satisfying than achievement through honest toil. With this kind of satisfaction a person cannot escape a feeling of happiness which is a habit you happen to notice when pursuing a person who is in love with his labours, grateful to his God, comfortable with his conscience, in favour with his friends and, in your case, in favour with your parents and teachers. By those percentages which you have achieved in your June examinations you have demonstrated that

you have embarked on a pathway of life that will provide you with a happy and purposeful future. Along the way you will encounter temptations to which the self-discipline which you have already acquired and will acquire, must be applied. Hold to these basic principles and you will be honoured always by your fellow man — just as your teachers have voluntarily seen fit to honour you here this evening. On behalf of everyone here, please accept my sincere congratulations."

The delicious dinner was prepared by Mr. Mark Schell and his staff.

The Honour Students were:

Five-Year Arts and Science

Grade Nine - Gayla Davis, Rosemary Elstone, Marilyn Holmes, Lois Maxwell, Alphons van Mil, Fraser Rogers, Valerie Sisson, Candice Schroter, Marlene Scott, Dorothy Wallace.

Grade Ten - Deborah Best, Beverly Coneybeare, Dianne Earle, Bernard Greer, Dorothy McCracken, Lois O'Neill, Bonnie Lee Prentice, Gary Simmons, Anne Simpson, Kristine Sisson, Margaret Wallace.

BIRTHS

GRANT — Ron and Betty (nee Bernstein) of Haliburton are happy to announce the birth of their third son, a baby brother for Marty and Terry, at Toronto General Hospital, December 12, 1965. Another grandson for Bella Bernstein and Mr. and Mrs. M. Brody of Toronto. Special thanks to Dr. Lou Carroll of Haliburton and Dr. Manuel Spivakof of Toronto.

Card of Thanks

I wish to thank my friends who sent get well cards and for their acts of kindness while I was in Toronto Western Hospital. Also thanks to Dr. Micklejohn and his resident and nurses on the 10th floor.

MRS. BRUCE FEARREY.

I wish to express my sincere thanks to Dr. Griffiths, L.O.B.A., Churches, friends, neighbours, relatives and acquaintances for the lovely gifts and cards and for your prayers and kind concern for me during my stay in hospital.

MURIEL FRANCIS.

IN MEMORIAM

WOOD — In memory of a dear husband, Wallace Wood, who passed away December 18, 1962. Gone dear husband, gone forever. How I miss your smiling face; But you left me to remember, None on earth can take your place.

A happy home we once enjoyed, How sweet the memories still; But death has left a loneliness, The world can never fill. —Sadly missed by wife Mildred.

WOOD — In loving memory of a dear father, Wallace Wood, who passed away December 18, 1962.

Three years have passed since that sad day, The one we loved was called away; God took him home, it was His will, But in our hearts he liveth still. —Always remembered by daughters Joyce, Dorothy and son-in-law Wayne.

WOOD — In loving memory of a dear Grandfather, who passed away December 18, 1962. Though your smile is gone forever And your hand we cannot touch Still we have so many memories Of the one we loved so much. —Ever remembered by the Grandchildren.

Two Minor Changes In Central Ontario Jr. Schedule

Two minor changes in the Central Ontario Junior Hockey League Schedule have been arranged with the consent of all teams involved and concern three playing dates only.

As a result of a request by the Little Britain Aces who had scheduled a hockey dance on Saturday, December 11th, Lindsay Merchants were in Haliburton on Saturday, and Little Britain will appear in Haliburton Thursday, December 23rd instead of Lindsay.

The second change involves a game scheduled for Wednesday, December 15th, Lindsay at Bobcaygeon. By permission of both teams, this game has been rescheduled for Saturday, December 18th.

The date for the All-Star game versus the 1965 League Leaders, Bobcaygeon Ti-Cats, has been set for Wednesday, January 12th, 1966. The proceeds of this game will go to the O.H.A. Players' Emergency Fund.

All Star Game Chairman, Douglas Alcorn reminds league coach-

es and managers, with the exception of Bobcaygeon, of their responsibility to nominate six players from the remainder of the league, one for each regular position as candidates for the All-Star team. No team representatives will name any players from their own club.

Ingoldsby U. C. Bowling League

After we finished our game of five pin bowling last week, nine of us were game enough to try the ten pin. It sure was a lot of fun and some of the scores were not too bad. There is a girl that needs some "vitamins" to lift the big ball.

But back to five pins. Connie Burk had high triple 637, Marvis Burk high single 261.

Team Standings: Gumdrops 39 points, Peppermints 39 points, Candy Canes 27 points, Lollipops 21 points.

RETA CROFTS.

HOCKEY NOTES

The Haliburton Minor Hockey Association has more hockey players playing this year than ever before. President Ken Wilson has lined up over 30 coaches and assistants to handle the 175 boys that are registered.

Some of the Haliburton Junior hockey players have a good chance of winning the Central Ontario Junior Hockey scoring championship.

The Haliburton Huskies Old Timer Hockey Club held a workout following public skating last Sunday afternoon at the Arena.

Teams in the Haliburton Minor Hockey League were given sweaters last week. And now the teams are wearing sweaters of the various N.H.L. clubs.

Lindsay Merchants Nose Out Haliburton In Rough Contest

Goalie Doug Broad salvaged a 4-3 win for the Lindsay Merchants in a cliff hanger at Haliburton last Saturday night before a full house with the last twenty-five minutes of the game scoreless.

Lindsay Merchants gained a 3-2 lead in the first period on goals by Larry Locke, Allan Burns and Rick Purdy, and Wayne English scored what proved to be the winning goal for the Merchants early in the second period.

Fred Hewitt's hat trick accounted for the Haliburton Huskies' scoring with two in the first period and one in the second. The third period was scoreless as Doug Broad made 18 stops compared to seven saves by Dave Austen.

Three goals in just over five minutes of the first period started the game off at a fast pace with Larry Locke opening the scoring at 3:24. Fred Hewitt's first goal at 4:05 tied the count. At 5:15 Allan Burns put the Merchants ahead again, but Fred Hewitt tied the count at 9:26. Rick Purdy completed the first period scoring at 14:54.

Wayne English tallied at 2:35 of the second period to give Lindsay a 4-2 lead, and Fred Hewitt's third goal at 14:24 ended the scoring for both teams. Shots on goal reported showed Lindsay with 25 and Haliburton 46.

Although the Huskies stormed the Lindsay goal they were unable to beat the netminder.

The Huskies were victims of several incidents of clearly defined "rough play". Mike Easton was slammed into the boards mercilessly and then had a stick broken over his noggin. Throughout the contest our local boys were rammed into the boards with the opposition's sticks up around their ears. If the executive of the Lindsay club realize that dirty play not necessarily wins hockey games, they should then be near the top of the league instead of floundering in the pack with teams of one-tenth their population.

Fred Hewitt was the only player from the Huskies who was chosen as a star on Saturday past — Fred has scored all the Huskies' goals in the last two games — The Huskies have their new sweaters and socks finally —

Aurora Tigers are here Saturday night — Don't miss this game — Attendance at the arena has been averaging nearly 500 people per game, the best in the league — Remember, Saturday night Aurora Tigers vs Huskies.

Aurora Tigers Hand Huskies 10-1 Defeat

Tuesday night in Bradford was the scene of the Huskies' worst defeat of the season. The Aurora Tigers are clearly the class of the league with a well balanced forward attack, big defence and an unbeatable goalie. The Huskies were foiled on several good scoring attempts, but the Aurora goalie turned them aside each time.

Fred Hewitt was the only scorer for the Huskies when he cashed in on Ron Stackhouse's drive from the point.

Bill Parish was upset and his trick knee was put out of joint which means he will be sidelined indefinitely. Doug Hughey had his glasses broken as well as a cut around the eye.

It seems that the Huskies are not able to get themselves up for the away games because their record on the road is not good.

Woodville Downs Merchants 7-3

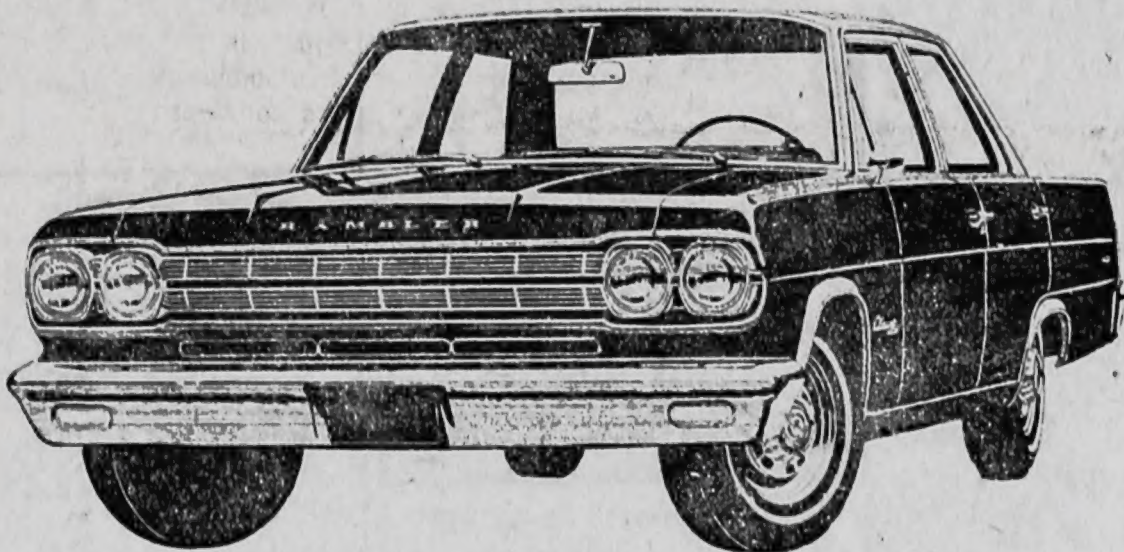

Hat tricks by Ron Josephson and Ron Bell of the Woodville Maroons at the Kiwanis Arena in Lindsay Friday night proved too much for the Lindsay Merchants who saw a 2-1 first period lead turn into a 7-3 defeat for their second loss to the Maroons last week.

Jim Veale opened the scoring for the Maroons, but Bruce Pritchard and Steven Lee countered for the Merchants.

Two goals by Ron Josephson, both unassisted, in the second period turned the tide in the game, and the Maroons never looked back. Both goals came from goal mouth scrambles, after Lindsay goalie Doug Broad stopped initial shots.

Lindsay was assessed six minors and three major penalties by Toronto referee Gordon Favreau while Woodville served ten minor and two major penalties.

CHURCH NEWS

UNIT TWO, U.C.W.

The Christmas meeting of Unit Two, U.C.W. was held at the home of Mrs. Garnet Sedgwick, with seventeen members and five visitors present.

Mrs. McKnight opened the meeting with a poem, "Make Way for Christmas". The worship service was conducted by Mrs. Wes Baker and Mrs. W. R. Curry. Mrs. Baker in her very capable way gave the Christmas message, entitled "The Best Christmas Story."

After a short business period the meeting was turned over to the Social Committee, who entertained with several contests and games. At the close Mrs. Santa Claus arrived to hand out our mystery pal gifts.

A delicious lunch was served by the hostess and her assistants, bringing a very delightful evening to a close.

UNIT THREE, U.C.W.

The Christmas meeting of Unit Three of the Haliburton U.C.W. was held at the home of the President, Mrs. G. Petrie, on Monday evening, December 6th.

Mrs. Petrie opened the meeting with a prayer for Advent.

Mrs. Lorna Stinson commenced the worship service with the reading of a poem of the Christmas Story, followed by the hymn "O Little Town of Bethlehem". Mrs. Stinson then read an interesting story of the Christmas season and concluded the devotional period with prayer.

The dedication of the offering the roll call and the minutes of the November meeting followed.

Reports from the treasurer, secretary and various committee convenors were read. Membership fees for the ensuing year were paid.

The Entertainment Committee comprised of Wendy Hicks, Irene Bailey and Barbara Wood, was in charge of the remainder of the meeting. Several contests, an exchange of Christmas gifts, followed by a delicious buffet supper brought a delightful evening to a close.

WILBERFORCE U.C.W.

The Christmas meeting of the Wilberforce U.C.W. was held in the home of Mrs. D. A. Miller, with an attendance of twelve members and one visitor, Mrs. Young, whom we are always pleased to welcome as a guest.

The meeting opened with the singing of the universal favourite carol, Silent Night, after which the Christmas Story from St. Luke was read by Mrs. Sanderson, followed by prayer offered by the President, Mrs. Outram.

After Roll Call, the minutes were read and approved, followed by the treasurer's report. A substantial sum was raised by the recent Bazaar and Tea. After some discussion, it was agreed that the U.C.W. pay half the cost of the installation of electric heat in the church. It was again decided to distribute Christmas baskets to the shut-ins of our congregation. Mrs. Ethel Saunders kindly offered her home for the next meeting, to be held on January 11th.

The Programme committee then took charge of the social period. Several games were enjoyed and then the exchange of gifts took place. Refreshments and conversation brought a pleasant evening to a close.

HALIBURTON COUNTY ECHO

—Ontario Hydro Photography Section

Seventeen commercial students from Haliburton High School toured Ontario Hydro's head office in Toronto recently. The group visited the Electronic Data Processing Centre where punch tape information transmitted from Hydro's province-wide area offices is converted into customer's bills and employees' pay cheques. The centre's two computers also handle engineering computations ranging from relatively simple mathematical problems to complex power system studies and do inventory and accounting operations. Group watches operator Dean Reynolds at the console of one of the Univac II computers. They are left to right: Zetta Mason, R.R. 1, Minden; Mrs. Anna English, Haliburton (Commercial teacher); Pat Roberts, Haliburton; Joan Walker, Minden; Sherida Neville, Haliburton; June Henderson, Minden; Woody Smith, Minden; Randy Warburton, Minden.

Minden Library News

In November the Minden Library had a very good circulation with adults taking out 284 books and children 289. The membership now numbers 275 with about 268 having cards. Some forms have not been returned. Of this membership the summer visitors took out 95 cards but still we are pleased with the number who have cards.

The next exchange of Victoria County Co-op Books will be after the New Year.

A new encyclopedia had been added as well as a large Webster Dictionary. Several persons have turned in books which will add to the County as they are listed.

The Library was open 23 hours and the storm door added to the convenience and comfort of the building. The furnace goes all the time, so the rooms are comfortable as well. A coat of paint on the floor added to the appearance.

Anyone wishing to join needs only to complete a form and a card is issued at the desk and the librarian is willing to assist in selection of books. So visit the Minden Library and enjoy the fine selection of books available. Some requests have been filled and others will be sent when convenient.

NEWS NOTES

(Intended for Last Week)

The regular monthly meeting of St. Stephen's Guild met at the home of Mrs. Mary Oliver on Wednesday. Plans were made for the Christmas dinner and many lovely hand-made articles turned in for the Summer Bazaar.

Mrs. Wm. Gartshore has welcomed into her home her sister from the Mission Field of Ethiopia, Miss Marjorie Johnson. Miss Johnson has a year's furlough and is a dedicated Christian who hopes to return to bring the Gospel to the natives of Africa.

The children and parents of the children of the Boskung Sunday School help open session Sunday morning as a special Missions Sunday in honour of their little South American Indian boy in a Mission School and whom the Sunday School scholars support. Miss Johnson showed coloured slides of her work among the natives and special hymns and songs and carols were sung. A gratifying response to help the little native boy in his schooling, clothing and food was the happy outcome as well as the fellowship of pupils and parents meeting together. Several interested friends also attended the gathering.

ed the gathering.

Mr. and Mrs. V. Packard of Hall's Lake recently travelled to North Augusta, Ontario to visit Mrs. Packard's parents, Mr. and Mrs. James Shannon. Sylvia and Jimmie Packard, with their parents, enjoyed staying at a motel near Madoc overnight due to a blinding snowstorm, and continued on their journey the next morning.

The sympathy of the neighbourhood goes out to the family of the late Mr. Fred Welch who passed away in a Toronto Hospital and was laid to rest in St. Stephen's Churchyard last Saturday.

Mr. and Mrs. Hart have left to spend Christmas in Western Canada with their daughter. We all wish them a happy trip and a safe return.

It is nice to see Christmas lights sparkling in windows and roof-tops once again. Our lake looks so pretty as one drives up the highway when each house and several cottages has a light or two sparkling among the trees and with the white snow around we can really feel Christmas in the air.

GELERT

(Intended for Last Week)

Mr. and Mrs. Ronald McElwain and Gordon, and Miss Margaret McElwain were recent week-end visitors with Mr. and Mrs. Robert McElwain and Mr. and Mrs. Lloyd Sedgwick.

A number of ladies attended a quilting at the home of Mrs. Carl Francis on Wednesday.

Mr. Carl Francis and Helen were visitors to Lindsay on Friday.

Ken Schrader had the misfortune to burn his hand at work recently and is spending some time at his home here.

There was a good turnout for Election results and treats at the Gelert Hall on Saturday night, December 4. Our new Reeve is Mr. Orville Hicks by acclamation. The Councillors are Mr. Les Switzer, Mr. Richard Milburn, Mr. Robert Vick of last year's council and one new member, Mr. Ralph Young of Lochlin. After the results were in and everyone had received their treats, the evening ended in dancing with Mr. Les Hagan supplying the music.

Mr. and Mrs. Douglas Eastman and family of Minden were Sunday visitors of Mr. and Mrs. Bob Peacock.

Mr. and Mrs. Harvey Minaker and Mr. and Mrs. Bud Dart and family were Sunday visitors with Mr. and Mrs. Bob Vick.

A number of people enjoyed another Euchre Party at the Gelert Hall on Friday evening. The proceeds were donated to the new Senior Citizens' Home at Minden. Bessie Burk was winner of the ladies first prize, Dale Vick won men's prize with consolation prizes going to Betty Exon and Michael McElwain.

Mr. and Mrs. Jack Milburn and Eric were Sunday visitors with Mr. and Mrs. Richard Milburn.

Miss Faye Peacock, Pam and Penny of Lindsay were week-end visitors with Mr. and Mrs. Bob Peacock.

Mr. and Mrs. Robert Walker of Furnace Falls visited with Mr. and Mrs. Archie Walker on Saturday evening.

A CHRISTMAS WISH TO ALL

May this Christmas season bring you joy and many pleasant experiences.

May the New Year bring you the peace that passeth the understanding of men.

And may it bring nothing into your life to cause anxiety or worry.

May all your days be full of sunshine, and your nights filled with pleasant dreams.

May no dark clouds appear to shut out any of the beauties of life or of nature all about you.

May you be able to see the stars shining through any cloud that may appear on your horizon.

May you have wisdom for all your problems, and help in every time in need.

And may you have true friends all along the way, to the very end of life's journey.

This is my wish for you all this Christmas.

High School News

Kenneth C. Hone, Reporter
This week brought us closer to the Christmas exams at the High School, and now last minute studying is now uppermost in all minds, or is it?

The film version of Julius Caesar was shown to the Grade Nine's and Ten's on December 8th of this week which was Wednesday. It started at about one o'clock and went till 3:30. It was most interesting, and was supplemented with an Our Gang film. The Junior assembly was not held at this time, as the film would not allow time for any extra activities. While this movie was being shown, the senior classes had study periods.

As I wrote at the beginning of this report, the exams are not far off. Although this may mean stormy days, remember that on the other side of this somewhat troubled sea lies the quiet harbour of Christmas Holidays, and I hope that everyone enjoys them.

MINDEN

Congratulations to Mr. and Mrs. Garwood Stevenson (nee Evelyn Morrison of West Guilford) who were married Saturday.

Mr. and Mrs. Jim Robinson are away for a holiday with relatives and friends in Pittsburg.

Mr. and Mrs. Hugh Vasey and Kitty of Toronto spent the weekend with his parents, Mr. and Mrs. Mark Vasey.

Sorry to report that Mrs. Brian Todd fell and sustained injuries and will be in hospital several months.

Mr. John Fleming is also in the Minden Hospital and all his friends wish him a speedy recovery.

NOTICE

The County of Haliburton is making a Debenture Issue to finance a new addition to the High School and a block of these in the amount of \$36,000 is being offered for sale locally. They are in denominations of \$1,000, are dated December 15, 1965, and are coupon bearing.

Short term maturities, 1972 to 1975 bear interest at 6% and the longer term, 1976 to 1979 at 6¼%. They are subsidized by the Province of Ontario and make a nice safe investment. Orders for them are being taken by ARCHIE STOUTER, Phone 90J, Minden, local representative of J. L. Graham Investment Dealer, Toronto. There are some still available maturing in most of the years mentioned above.

1966 HALIBURTON HIGHLANDS SECONDARY SCHOOL NIGHT CLASSES

The following classes will be offered if a sufficient number (15) register for each class:

- ART - for those who have some proficiency as well as beginners.
- BADMINTON - for both men and women. School will supply raquets and birds.
- BRIDGE - for those wishing to learn how to play and also for persons who can play, but are not accomplished players.
- BOOKKEEPING - the keeping of various kinds of records and assembly into a system.
- FIRST AID TO FARM ANIMALS - these classes will run for six nights from January 18 to February 22 inclusive.
- HORTICULTURE - on roses and evergreens - these classes will run for four nights from March 1 to March 22 inclusive.
- LAW - general law with special reference to municipal law - these classes will run for six nights from January 18 to February 22 inclusive.
- SEWING - for beginners.
- TYPEWRITING - for beginners.
- UPHOLSTERY - the basic techniques will be taught and each individual may do his own project.
- WOODWORKING - each person will do his own project.

There will be classes for ten nights from January 18 to March 22 inclusive, unless otherwise described above. Enrolment fee of \$3.00 will be paid to the instructor on the first night. Horticulture will be only \$1.50 because there are only four nights.

Persons interested must send in applications before January 7 because classes will be made up on January 10 and if there are not enough registering for a course, it will be cancelled. It is necessary to know by that date whether there will be a class or not in order that the instructor may make preparations.

APPLICATION

I wish to apply for the following course:
